AKIB HOSSIAN DIPU

Remote Graphic Designer & Visual Content Specialist

PROFESSIONAL SUMMARY

Creative Graphic Designer and Visual Content Specialist with a formal background in Communication & Multimedia Journalism from Islamic University. Experienced in crafting conversion-driven social media ad creatives, multi-slide educational carousels, brand identities, and promotional visual assets at PsyCoach Bangladesh and for global remote clients. Skilled in translating abstract brand and marketing ideas into clean, scroll-stopping visuals using Adobe Photoshop, Canva Pro, and Illustrator. Self-directed, highly responsive in async workflows, and committed to fast design turnarounds.

DESIGN EXPERIENCE

Creative Designer & Visual Lead — [PsyCoach Bangladesh](#)

May 2025 – Present | Remote / Hybrid

- Design high-converting social media creatives, promotional posters, and ad banners across Facebook, Instagram, and LinkedIn.
- Develop multi-slide educational carousel infographics translating complex mental health concepts into digestible visual decks, increasing organic engagement by 40%.
- Establish and maintain brand visual identity kits, typography rules, and reusable Figma/Canva templates to streamline asset production.
- Collaborate closely with copywriters and marketing strategists to design visual hooks that optimize click-through and retention rates.

Freelance Graphic Designer — [Independent Clients & Creators](#) 2023 – Present | Remote

- Designed 60+ custom YouTube thumbnails, brand logos, event flyers, and marketing kits for independent creators and commercial clients.
- Applied photo retouching, color grading, visual hierarchy, and high-contrast typography in Photoshop to maximize visual impact.
- Managed complete design workflows from creative discovery and moodboarding to rapid feedback revisions and final print/web asset delivery.
- Maintained 100% on-time delivery across remote projects using Google Drive, Slack, and Notion for asynchronous communication.

PORTFOLIO HIGHLIGHTS

- **Social Media Branding & Infographics:** Designed comprehensive social media kits and multi-slide carousels emphasizing brand consistency, color psychology, and clear typography.
- **High-CTR YouTube Thumbnails:** Engineered high-contrast, click-focused thumbnails utilizing advanced photo blending, lighting enhancements, and bold text layouts.
