AKIB HOSSIAN DIPU

Remote Multimedia Journalist & Content Specialist | Editorial & Visual Storyteller

PROFESSIONAL SUMMARY

Analytical and resourceful Multimedia Journalist and Content Specialist with academic training in Communication & Multimedia Journalism from Islamic University. Experienced in conducting rigorous background research, fact-checking primary sources, and writing clear, engaging editorial content for digital platforms. Combines strong investigative writing skills with visual design expertise to produce informative articles, digital explainers, and data infographics. Reliable in fast-paced, asynchronous remote environments with strong English communication and adherence to strict editorial ethics.

EDITORIAL & PROFESSIONAL EXPERIENCE

Editorial Content & Visual Specialist — [PsyCoach Bangladesh](#)

May 2025 – Present | Remote / Hybrid

- Research, draft, and publish 40+ educational articles, newsletters, and social carousels covering youth psychology and personal growth.
- Design multi-slide informational infographics that convert clinical and behavioral research papers into accessible, engaging visual formats.
- Conduct strict fact-checking and editorial proofreading across all digital publications to maintain 100% factual accuracy and brand integrity.
- Collaborate remotely with content strategists and marketers to plan editorial calendars and optimize story hooks for digital audience engagement.

Campus Reporter & Multimedia Contributor — [IU Media Projects](#)

2023 – Present

- Pitched, investigated, and authored in-depth feature reports covering youth developments, campus administration, and community affairs.
- Conducted structured interviews with academic faculty, student representatives, and community stakeholders.
- Produced integrated multimedia packages combining written reportage, voiceover scripts, and accompanying data infographics.
- Applied rigorous fact-verification techniques to counter misinformation and deliver balanced, objective news pieces under deadline pressure.

Freelance Content Writer & Research Contributor — [Independent Clients](#)

2023 – Present | Remote

- Authored analytical articles, research summaries, and press materials for digital agencies and online publications.
- Edited long-form written copy to improve structural coherence, tone consistency, and grammatical accuracy in English and Bengali.

KEY PROJECTS & CORE STRENGTHS

- **Data-Driven Visual Explainers:** Researched and designed informative news infographics transforming survey data and policy documents into clear visual narratives.
- **Comprehensive Research & Fact-Checking:** Skilled in identifying primary sources, cross-verifying public records, and adhering to international copyright and attribution standards.
- **Google Drive Portfolio:** Full collection of published visual reports and writing samples available at: [drive.google.com/...](#)
